CLYDE CHALLENGE CHAMPIONS ARE PART OF THE SOLUTION

"Clyde Companies is committed to leading out and speaking up for gender pay parity. We know female leadership makes a difference within our business and across our community. We are truly honored to partner with Copper Rock and the Epson Tour to support women athletes. Whether we are business leaders or pro golfers, let's continue to have the conversation and value performance."

Jeremy Hafen

Clyde Companies President and CEO

"I think it's amazing that they're willing to support the Epson Tour with more money for us [athletes]. I think it's great [to have that support], and I want to see more growth."

Dottie Ardina

2022 Copper Rock
Championship Winner

"We believe in trying to bring equity to golf, and we appreciate our sponsors for sharing that vision. We're proud to represent Utah as a state that supports women's professional golf."
